2026 NECOEM & MaAOHN Annual Conference

POSTERS

Anil Adisesh, MB CHB, MSC, MD, FRCP, FFOM, FFOMI (HON.), CIME

Additional authors: Andrea Furlan, Christopher JO Baker, Theresa Tang, Caitlin Ford, Jordan Carter, Eula Aguilar, Jia Hu, Aaron Thompson

Work and Health in Primary Care in Ontario, a Digital Tool to Improve the Recognition and Recording of Work Relatedness

Ann Backus, MS

Ropeless Fishing: The Risks and the Rewards

Elizabeth Barker, MPH

Beryllium Medical Surveillance and the Beryllium Lymphocyte Proliferation Test

Carin Bennett-Rizzo, MS, RN, COHN-S/CM, NEA-BC

Additional authors: Jennifer Bash, MSN, FNP-BC, COHN-S; Christine Chapman, MSN, FNP-BC; Cally Lapan, BSN, RN; Rocio Lucero, BSN, RN; Shevonne Linnane, MSN, FNP-BC, Melanie Matthews, MSN, FNP-BC, COHN-S; Rose Parker, MSN, FNP-BC; Giselle Unger, MSN, FNP-BC; Joan Woodworth, M.Ed., BSN, BA, RN

Innovating Nursing Education: Occupational Health Clinical Experience in a Pediatric Academic Medical Center

Chuck Carriere, BSN, RN

Additional authors: Yun-Ju Lai, PhD, MS, RN; Yuan Zhang, PhD, MS, RN

Virtual Reality-Based Interventions for Back Pain: An Integrative Review

Sarah Crockett, MD

Additional authors: Ethan Smith; Elizabeth Anderson, PhD

Acute Illnesses & Injury Among Mine Workers at Mining Work Sites: A Scoping Review

Michael Farber, DO

Additional authors: Ethan Burg, MD; Sonika Rathi, DO; David Cockrum, MD, MPH, FACOEM

Orange You Glad It Was Negative? Sulfasalazine and Invalid Urine Drug Screens in a Patient With Ulcerative Colitis

Ronit Gupta, MS, BA

Additional authors: Andrew Wang BA; David Cockrum, MD, MPH, FACOEM; Karen Huyck, MD, PhD, MPH, FACOEM

Reducing Work Form Documentation Burden in Primary Care: An Occupational Medicine eConsult Pilot

William Hines, MD, MPH

Additional authors: Andy Chen, MD; Scott Hutton, PHD; Kelly Vance, MD; Carrie Redlich MD, MPH; Jacqueline Cook MD, MPH; Brian Coleman, MD

Workplace Violence Involving Practitioners in Veterans Health Administration Emergency Departments: A Cross Sectional Study of Reports Submitted to the VHA Disruptive Behavior Reporting System 2018 to 2023

W. Shane Journeay, PhD, MD, MPH, FRCPC, FACOEM

Additional authors: Jacob Morehouse MSc; Ted McDonald PhD

Association of Chronic Disease with Exit from the Workforce Among Registered Nurses and Licensed Practical Nurses

Kiel Khan, MD, MPH

Additional authors: Michael A. Gordon, BS; Mitchell K. Reinhart, BS; Brian L. Edlow, MD; Michael J. Young, MD

When the Clinician Is Also the Gatekeeper: An Occupational Medicine Refinement of a Decision Matrix for Returning Research Results to Active-Duty SOF

Kevin Kwon, MS1

Additional authors: Lydia Pless, MS1; Brendan Kelly, DAHM; Louis Kazal Jr., MD; Karen Huyck, MD, PhD, MPH, FACOEM

Trainings in Classical Chinese Medicine for the Treatment of Long Covid to Reduce Work Disability

Gabriel Merlin, MD

Additional authors: Ariel Kwart, MD

Sustained Acoustic Medicine (SAM) is a Cost-Effective Addition to Conventional Treatment Pathways for Chronic Lower Back Pain: A Comparative Cost Analysis

Talon Miner, DO, MS, MPH

Virtual Reality as a Countermeasure for Spatial Disorientation and Space Motion Sickness: From Fighter Pilots to the International Space Station

Talon Miner, DO, MS, MPH

Additional authors: Tiffany Tam, MD, MPH; Sierra Crowe, MD, MPH

From Implementation to Evaluation: A Two-Year Assessment of Resident Cohesion and Lifestyle Medicine Priorities in an Occupational and Environmental Medicine Residency

Alisa Pasichnik, DO

Additional authors: Caroline McCauley, DO, Ethan Bernstein, MD, Anil Adisesh MD

Occupational Exposures Influence the Development of Immune Checkpoint Inhibitor Related Pneumonitis

Jamie Ponmattam, MD, MPH

Additional authors: Carrie Redlich, MD MPH

EMR Surveillance and Silicosis in Connecticut

Rebecca Smith, MS3

Additional authors: Addie Darling-Mena, MS4; Elizabeth Talbot, MD; Deborah Barbeau MD, PhD, MSPH; David Cockrum, MD, MPH, FACOEM; Karen Huyck, MD, PhD, MPH, FACOEM

Primary Inoculation with Mycobacterium Tuberculosis: a Comprehensive Literature Review and Proposed Protocols

Ian Snyder, DO

Additional authors: Ashley Nadeau, MD, MPH

Reassessing Full-Time Telework for Psychiatric Disability: A Function-Based Occupational Medicine Case Analysis

Nikhil Thope, MD

Additional authors: Carrie Redlich MD, MPH

Occupational Anaplasmosis in a School Custodian: Recognizing Tick-Borne Disease Risk Beyond Traditional Outdoor Occupations

Luka Villani, BA

Additional authors: Joel Smith, BA; Kenneth Greco, BA; Andy Lowe, BA; Karen Huyck, MD, PhD, MPH, FACOEM

Recruitment vs Retainment: Strategies Addressing Rural Healthcare Workforce Shortages

Keith Williams, MD, MPH, FACP

A Review of Evidence Supporting the NASA Celestial Dust Exposure Risk Posture

Vitalii Yakovlev

Additional authors: Ian Porter, MD, MPH

Atrial Flutter or Something Else?
